

5 HOME WARNING SIGNS TO CHECK BEFORE MAKING AN OFFER

A simple walkthrough checklist for home buyers

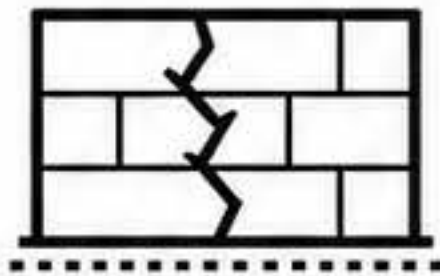

1

ROOF & EXTERIOR

Check for roof damage, peeling paint, loose gutters, and worn siding.

2

FOUNDATION & FLOORS

Look for large cracks, sloping floors, and doors that stick.

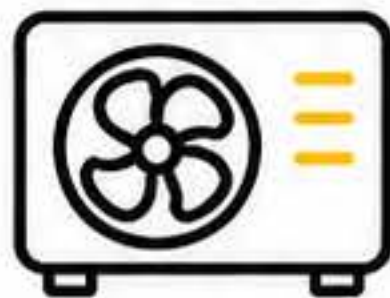

3

WATER & MOISTURE

Watch for stains, musty odors, soft floors, and leaks.

4

HVAC & MAJOR SYSTEMS

Ask about the age and condition of the HVAC, water heater, and roof.

5

DRAINAGE & CRAWLSPACE / BASEMENT

Look for standing water, damp areas, and moisture odors.

This checklist highlights visible issues only.
It does not replace a professional home inspection.
